

A BILL FOR AN ORDINANCE

AMENDING CHAPTER 14, REVISED ORDINANCES OF HONOLULU, 1990, AS AMENDED,
RELATING TO SEWER SERVICE CHARGES.

BE IT ORDAINED by the People of the City and County of Honolulu:

SECTION 1. Purpose. The purpose of this ordinance is to update the City's sewer service charge schedules.

This ordinance increases residential sewer service charges per equivalent dwelling unit (EDU) and non-residential sewer service charges.

This ordinance provides for multi-year rate increases beginning July 1, 2007, to and including fiscal year beginning July 1, 2010, which allows for financial planning and projection.

SECTION 2. Appendix 14-B, Revised Ordinances of Honolulu 1990, is repealed.

"[Appendix 14-B

SEWER SERVICE CHARGE SCHEDULES

The charges in column 1 apply to all customers, except those customers for which a sewer service contract/agreement exists between the customer and the City and County of Honolulu which provides that column 2 charges shall apply. Sewer service contracts/agreements that allow column 2 charges are intended for customers who have paid their share of capital costs of collection, treatment and disposal of their wastewater by the city.

The charges in column 3 are additional charges for all customers in the former Barbers Point Naval Air Station (BPNAS) area, also known as the Kalaeloa Community Development District. The former BPNAS area includes all Tax Map Key (TMK) parcels within TMK Plat 9-1-013, excluding TMK parcel 9-1-013: 007. The column 3 charges shall take effect starting October 1, 2003, or upon permanent conveyance of the wastewater collection system from the federal government to the City and County of Honolulu, whichever is later. The additional charges in column 3 are required to help the city recover the additional maintenance and upgrade costs projected for the former BPNAS wastewater collection system due to its age. The charges shall be in effect for a period of twenty (20) years following the effective date.
